Halifax County Schools
High School Graduation Requirements Checklist

Student Name:_____

School:_____

Current Number of Credits:_____

Overview

This form is to help students to be able to audit their transcript to determine eligibility for graduation based upon 22 credits as outlined by the COVID-19 state policy. This state board policy supersedes local graduation requirements of 28 credits. Review your transcript and check off all courses you have taken and earned credit for upon completion. Please contact your school counselor for a copy of your transcript if you do not have a copy.

HCS Graduation Requirements

All public high school students must meet minimum state graduation requirements to earn a diploma and graduate. Halifax County Schools students need **28 credits to graduate** with a high school diploma. The total of **28 credits** are completed with high school courses and dual enrollment college courses. These graduation requirements are considered the Future-Ready Course of Study (FRC) requirements and prepare students for post-secondary success.

Setting Milestones

1. Think about personal/social goals for your future.
2. Determine a timeframe for each goal such as short-term, intermediate, long-term or ultimate.
3. Identify strategies to accomplish your goals.
4. Monitor your progress regularly.
