

Class Expectations

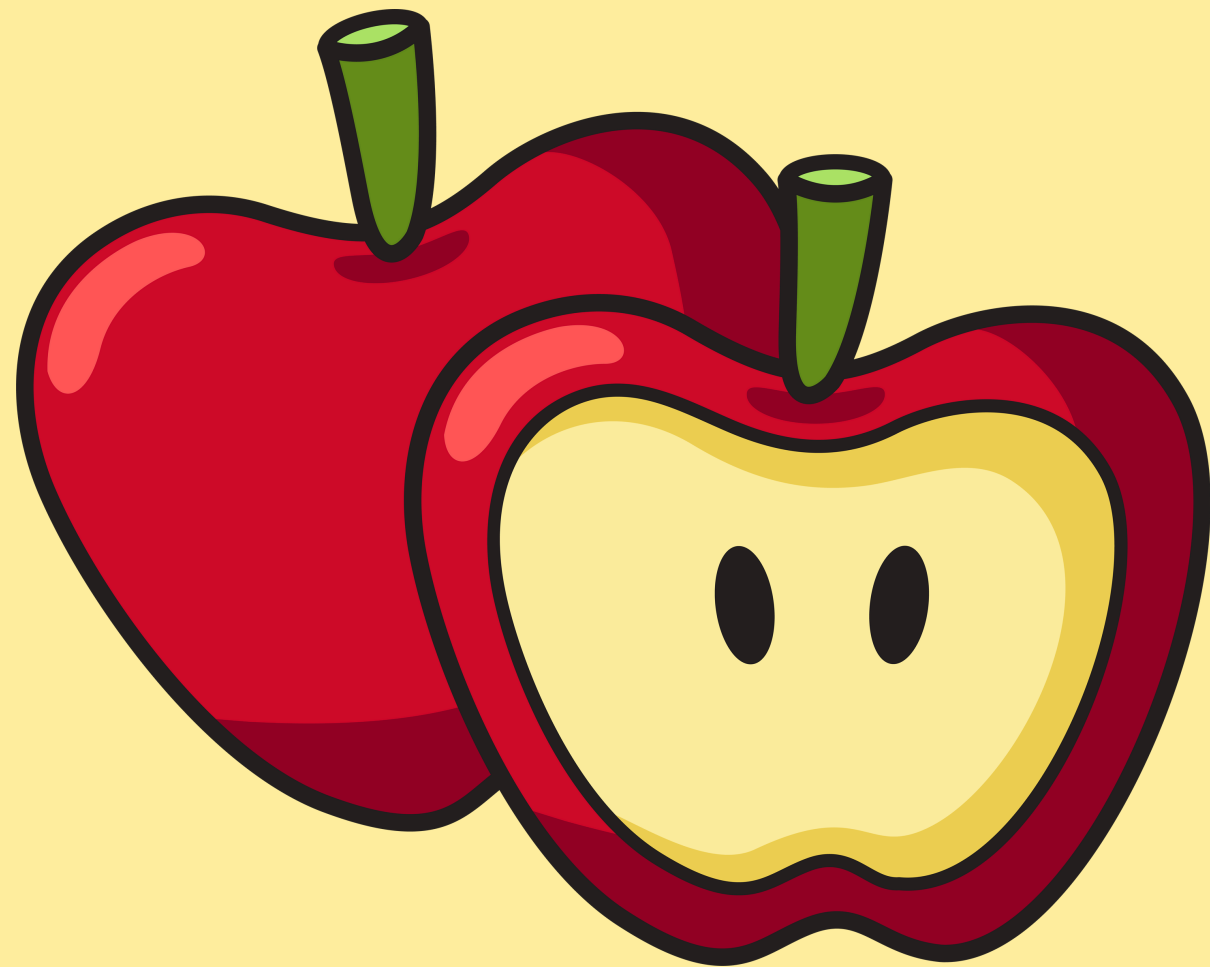

Be Kind

Show respect and kindness to your classmates and teachers.

How can you show kindness to others?

Be Focused

Maintain your focus and remain on task during all activities.

How can you maintain focus during a lesson?

Be persistent: try and try again.

**How can you show persistence
during a tricky task?**

Be Persistent

Look for solutions instead of problems. Show resilience in and outside the classroom.

How can you show resilience?

Be Part of the Solution

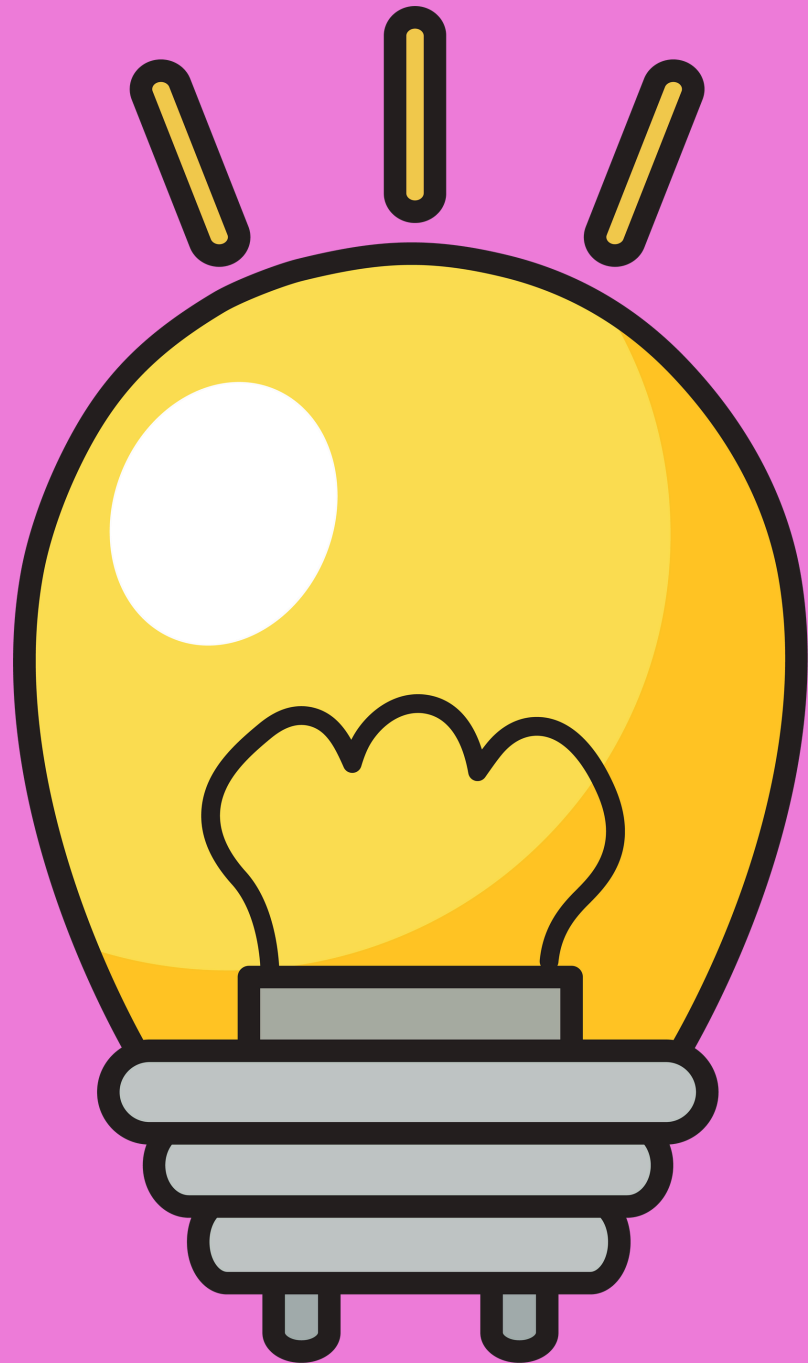

Be on Time

Be ready to class and ready to learn!

How can you make sure you are ready for class?

Be Engaged

Be engaged and involved in your learning.

How can you remain engaged and on-task?

Be Creative

Be creative in your work.

How can you achieve this?

Be Enthusiastic

Be enthusiastic about learning.

How can you demonstrate enthusiasm?

Be Organized

Be organized for class and all of your lessons.

How can you ensure you are organized for class?

**Reach for the stars in your behavior
and your school work.**

**What does this mean and how can
you demonstrate this?**

**Reach for the
Stars**

Be on task. Manage your time wisely and use your time effectively.

Why is it important to remain on task?

Be on Task

Be your best - inside and outside of the classroom.

What does this look like at school?

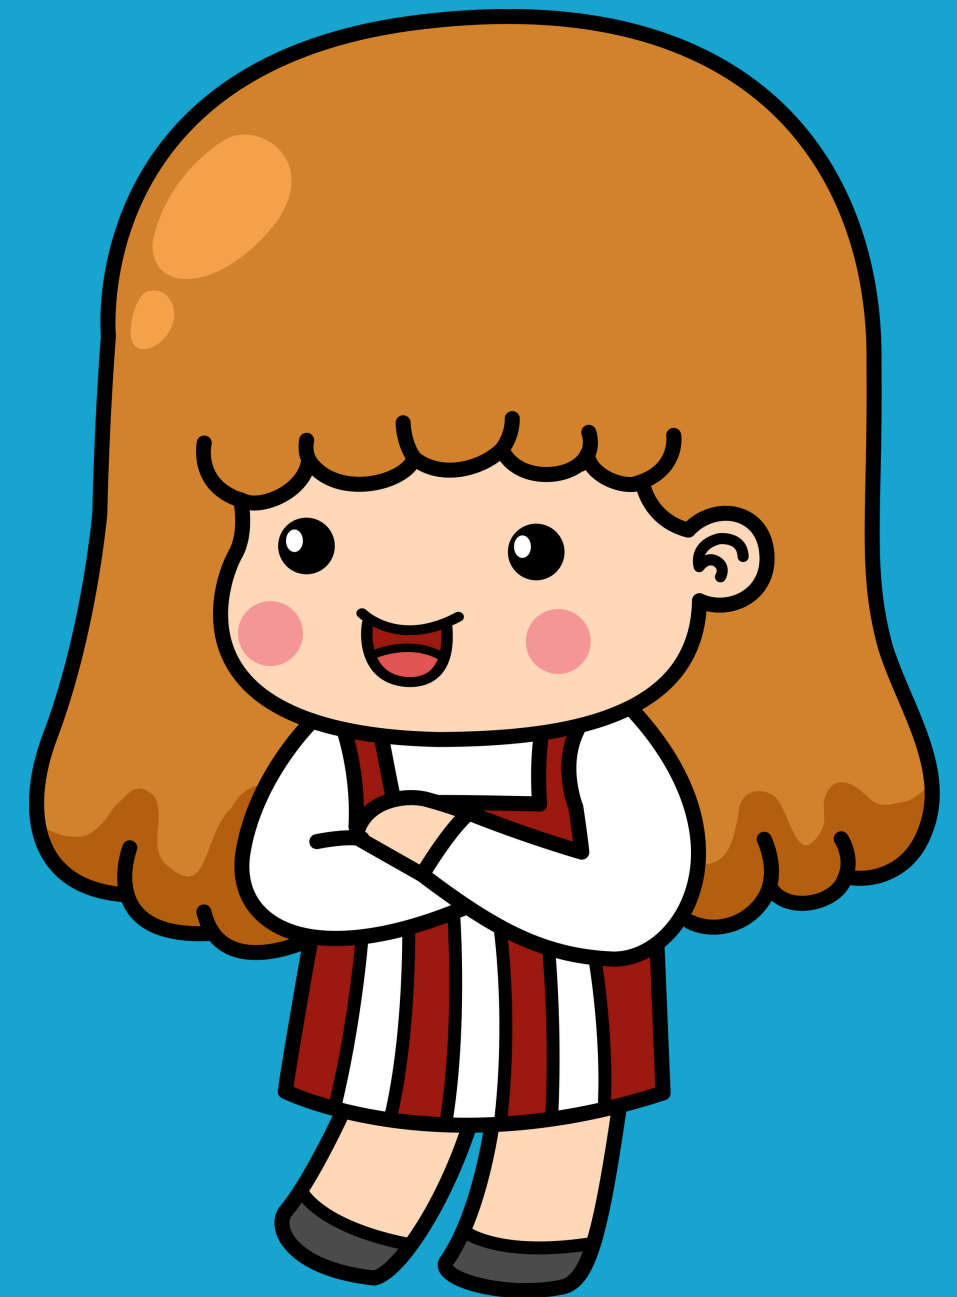

Be Your Best

To have a friend, you must be a friend.

What does a good friend look like?

Be a Friend

Be Curious

To dive deeper into our lessons, we need to be curious.

How can we show curiosity in our learning?
