

2024-2025

Ms. Jodie Washington

washingtonj@nw.halifax.k12.nc.us

Welcome to the 2024-2025 school year!

Our OCS core classes are both blended learning environments and inclusion classes. We team up with teachers from North Carolina Virtual Public School (NCVPS), Northwest teachers, you, and your parents to achieve your academic goals while receiving your specially designed instruction (SDI). Our Occupational/Employment Prep courses will be exciting and filled with many new opportunities.

I will keep important information posted on my Teacher webpage on NCTA's homepage. You will also have daily emails and assignments on your NCVPS account. I encourage your suggestions and ideas that contribute to improving your learning experience. Ensure your contact information (email, phone numbers, address) is accurate and current.

Student Responsibilities:

- Be respectful of yourself and those around you
- Log on daily prepared to engage
- Take responsibility for your learning & devices
- Participate in small group discussions/activities
- Comply with all school and district policies

Supply List

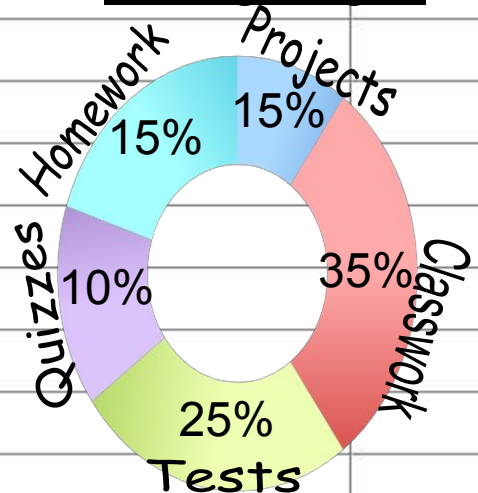

- ✓ One Notebook per subject
- ✓ Pens or Pencils

Additional Notes:

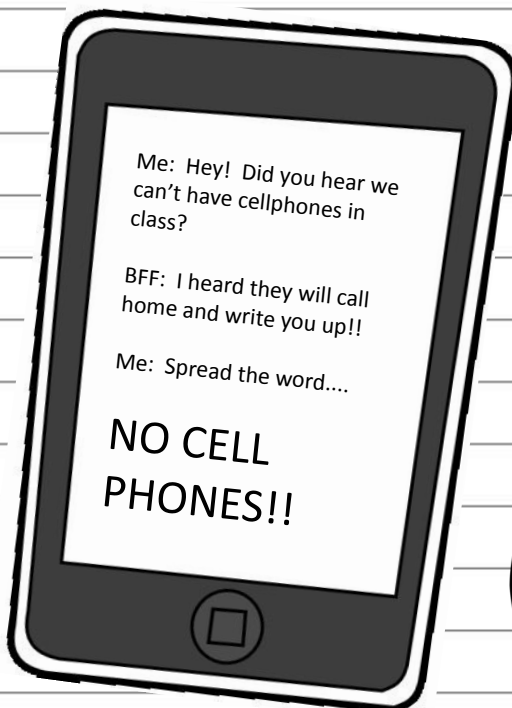

There is a work requirement for the OCS Pathway. Students are required to work either in school, in the community, or paid employment. New opportunities to earn hours present themselves every day. It is a good idea to bring a change of clothes/shoes to leave in the classroom.

School attendance is crucial to your success. We will have guest speakers and field trips you don't want to miss!

Community Workforce Solutions & TCI

We are excited to be working with Community Workforce Solutions this year and TCI! These non-profit agencies are working with Vocational Rehabilitation and NCTA to help us reach our transition goals and milestones. More information and an application to come!!

Consequences:

Verbal Warning
Call home
Conference with school counselor
Referral to Administration
