

# General Music with Music Coding

Enfield Middle STEAM Academy

2024-2025

General music is an elaboration on the fundamental musical elements taught at the elementary and intermediate levels with an emphasis on the continued development of perceptive listening skills. The purpose of this course is to broaden the students' musical background, enabling them to become more knowledgeable consumers, utilizing traditional and modern technological resources. Throughout the school year, students enrolled in the General Music with Music Coding course will use technology in application for music education. Notating, composing, sequencing, editing music on a computer, performing on rhythmic and melodic instruments, and playing keyboard at a beginner level are some of the skills that will be included in the coursework. Ideally, students enrolled and successfully completing this course will have a wider musical background and be more knowledgeable music consumers through the experiences provided through this course. **Band Instrument will not be required for this class!!**

## **Class Expectations.**

All general music students will be expected to:

- o Respect each other, the teacher, the classroom, music and equipment
- o Positively participate in classroom activities
- o Be on time and prepared for class
- o Work to the best of your ability

## **Grading**

Students will be graded on the following:

Daily Class Participation (Effort, Attitude, Behavior) 10 points possible each class

Written Work 40% of total grade

Class Projects/Group Work 30% of total grade

Tests/Quizzes 20% of total grade

## **Materials Needed**

- Headphones or Earbuds
- Notebook (to be used as a journal)
- Folder

## **Parent/Guardian Communication**

If you have any questions or concerns regarding your child or the class, please feel free to
