Welcome Back!

2022-2023

Welcome Back Halifax!

Our school year is off to a great start as we work together as one team *Aligned* with our mission. As a cohesive unit, we all share the fundamental understanding that we are to ensure the success of our students.

Each member of Halifax County Schools contributes significantly to the success of the district's students by assisting them in identifying and nurturing their abilities, understanding

their values, and laying a solid basis for their future college and career aspirations.

Whatever we do, we can help students achieve their objectives by assisting them in creating a future in which their aspirations and dreams can come true. You are ensuring a brighter future for our students by doing your duties to the highest standard and doing your best. Have compassion and charity in your hearts as you observe the students. Give everything you've got, and believe your actions will impact the kids.

I hope everyone has a joyful, healthy, and successful year.
