Halifax Early College High School

Imagine

- ◇ ***A school for the real world with a focused environment for accelerated learning***
- ◇ ***A school committed to academic excellence and success for ALL students***

Goals

The goals for Halifax Early College High School are

- ◇ *Provide exceptional educational opportunities for students who seek a challenge above and beyond the traditional high school curriculum*
- ◇ *Foster a “college-going” culture and encourage students to complete the Associates Degree program and industry credentials*
- ◇ *Offer a college experience for first-generation college students who may not have the financial means to attend*

Overview

Halifax Early College High School (HECHS) is an exciting and innovative high school located on the campus of Halifax Community College in Weldon, NC. The Halifax Early College High School is operated by the Halifax County Schools and Halifax Community College through a joint partnership.

This non-traditional high school offers Halifax County School students a unique opportunity to receive a high school diploma while earning an Associates’ degree from the Halifax Community College.

Halifax Early College boasts of real-world, rigorous academics. The school allows high school students to take college courses at no additional cost. After graduation, students may transfer to a four-year college or university.

The Halifax Early College High School is an exceptional opportunity for students who would like a small setting as well as the desire to work hard and optimize potential to be our future leaders.

Impressive Opportunities

- ◇ Offers accredited studies with a more challenging curriculum
- ◇ Expands and enriches student knowledge
- ◇ Prepares students for four-year college classrooms
- ◇ Allows students to graduate from high school with an Associates Degree or transferable college credit and industry credentials
- ◇ Provides students a chance to learn about college life while still in high school
