Charting a New Course

IMAGINE

A school for the real world with a focused environment for accelerated learning

A school committed to academic excellence and success for all students

GOALS

The goals for Halifax County Early College High School are

To provide exceptional opportunities for students who seek a challenge above and beyond the traditional high school curriculum

To foster a “college-going” culture and encourage students to complete the Associates Degree program

To offer a college experience for first generation college students who may not have the financial resources to attend.

OVERVIEW

Halifax County Early College (HCEC) is an exciting innovative high school located on the Halifax Community College campus in Weldon, NC. The Halifax Early College High School is operated by Halifax County Schools and Halifax Community College through a joint partnership.

The non-traditional high school offers Halifax County students a unique opportunity to receive a High School Diploma while earning an Associates Degree from Halifax Community College.

Halifax County Early College is an exceptional opportunity for students who would like a small setting as well as the desire to work hard and optimize potential to be our future leaders.

Halifax County Early College also offers a variety of extracurricular clubs for students, such as Student Government Association, BETA Club, STEM, and Healthy Lifestyles through Dance Club.
