Phone: 252- 445-5268

Fax: 252- 445-2511

Email: lewisf@ho.halifax.k12.nc.us

Hello, I am SO excited for another year at Hollister Elementary Leadership Academy! This is my 26th year serving students in the Halifax County School District. I value education and the opportunity to work with children. I am excited to work with you to ensure a positive learning experience for all students!

I have my Bachelor of Science in Psychology with a minor in Child Development from Walden University and my Masters of Science in School Counseling from Capella University.

My personal goal as a school counselor is for every child to feel that they are seen, heard and respected and to help them grow our communities in the very same way.

One of my favorite quotes is: "Children do not care how much you know until they know how much you care" ~Teddy Roosevelt
