General Information

Description

JAG is a national organization that caters to the academic, social and emotional needs of students. Students will gain the information and tools necessary to graduate high school and be successful in college, the workforce and/or in the military. Students will be required to complete certain tasks such as presentations, engage with guest speakers, complete action plans and community services to name a few.

Expectations and Goals

Teacher and students are expected to have an honest and open relationship. Teacher and students will remain respectful and professional. Teacher and students will work to resolve any issues that may arise, together. Teacher will always have students' best interest at heart.

Course Materials

- Composition notebook or college-ruled notebook
- Black and/or blue pens
- Notecards
- Sticky notes
- Internet access

Grading and Late Policy

Grades will be calculated using the 10pt scale. Students will lose a letter grade, each day their work is late. Assignments will not be accepted 3 days after the due date. Doctor's notes and text messages may be accepted for late work if received in a reasonable time.
