

JNCG-JAG

Fall 2021 • Spring 2022

Course description

The JAG course is to prepare 11th and 12th grade students for life after high school through a college and career readiness curriculum. Students will explore topics about employability skills to choose a career, military options and everything in between. Additionally, students will have the opportunity to show leadership, service, advocacy and scholarly skills.

Course objectives

Students will be equipped with the knowledge and tools to excel on their customary paths of success.

Materials Needed

- Loose Leaf paper
- Binder or folder
- Laptop & Internet Access
- Growth Mindset

Grading Scale

90-100 A	<70 D
80-89 B	
70-79 C	

Other informational Header

The JAG program offers additional support for students after graduation, if students participate in the program as seniors. The JAG teacher will check in with students monthly for a year after they graduate high school. Typically, a junior student will take JAG fall semester and then complete the program spring semester of their senior year. Students must complete two semesters of JAG to be afforded the yearly follow-up support.

Ms. Robinson

robinsonn@nw.halifax.k12.nc.us • 252-268-3706
Office hours 1:30AM - 3:30PM Tues & Thurs

Unit 1

- Team Building
- Career Clusters
- Project
- Jumpstart Jobs Week

Unit 2

- Employability Skills
- Resume
- Cover Letter
- Mock Interviews

Unit 3

- National JAG Student Conference
- Shark Tank Competition
- Career Association Service Project

Late Policy

Assignments turned in 3 days after the due date will receive a 50% in the gradebook. I encourage students to be proactive by notifying the teacher if an assignment is going to be late. Some excuses may require extra documentation- deducting points in these cases will be up to the teacher's discretion.
