

Project JOY - Submissions

Congratulations!!!

I am sooooo
PROUD of you!

*Creativity at its
BEST!*

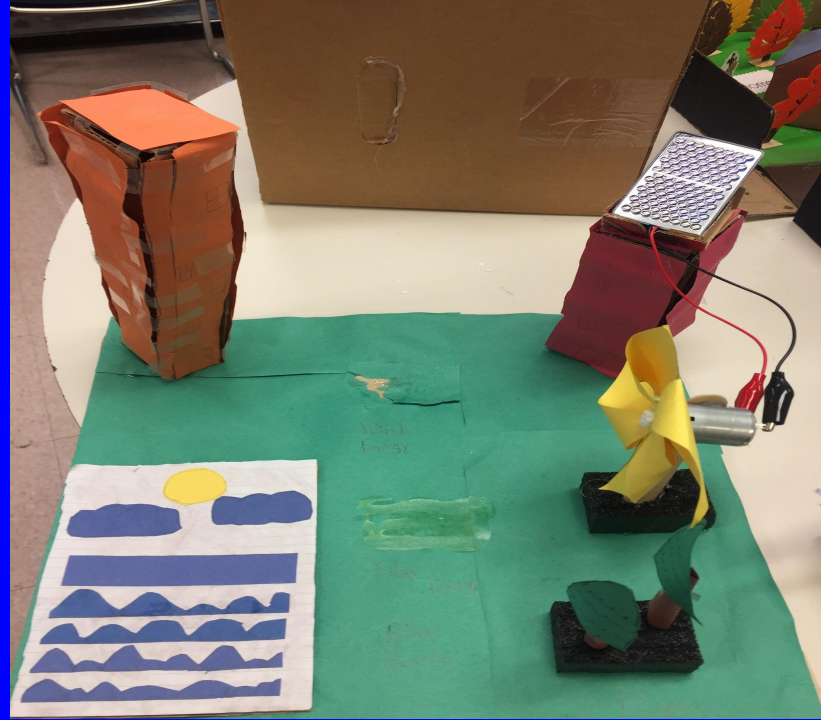

*You did an awesome
Job*

Projects JOY Submissions

- The following slides show the projects that were submitted by my 8th Grade class for their PBL on the importance of Using Renewable sources of Energy.
- They created a Model City/ Community that uses renewable energy resources. They tried to show that OUR community can use these resources to Conserve Energy,

aguas1@da.halifax.k12.nc.us

Tidal Energy, solar energy, wind Energy & Biomass

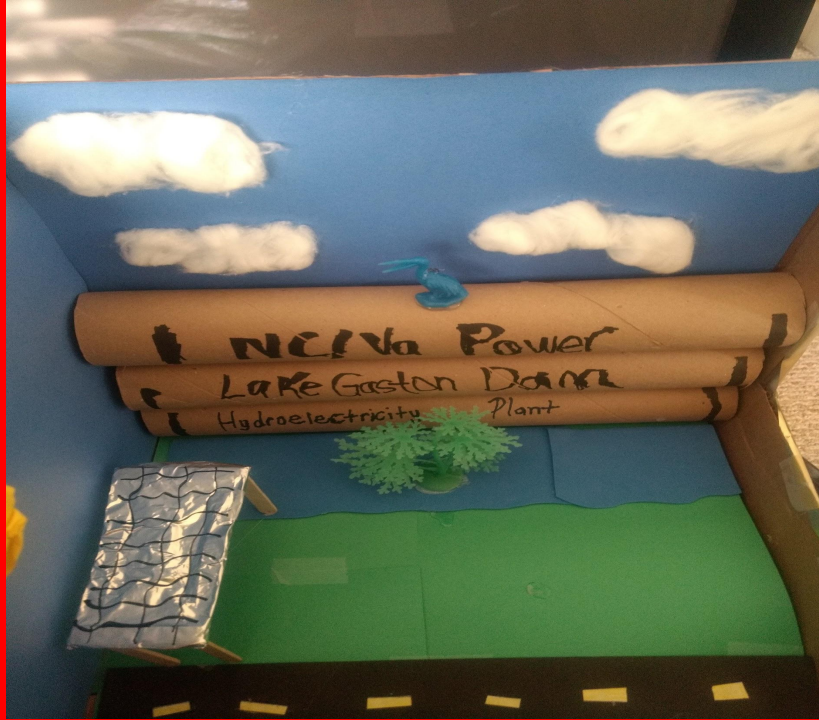

Solar Energy & Geothermal Energy

Wind Energy and Biomass

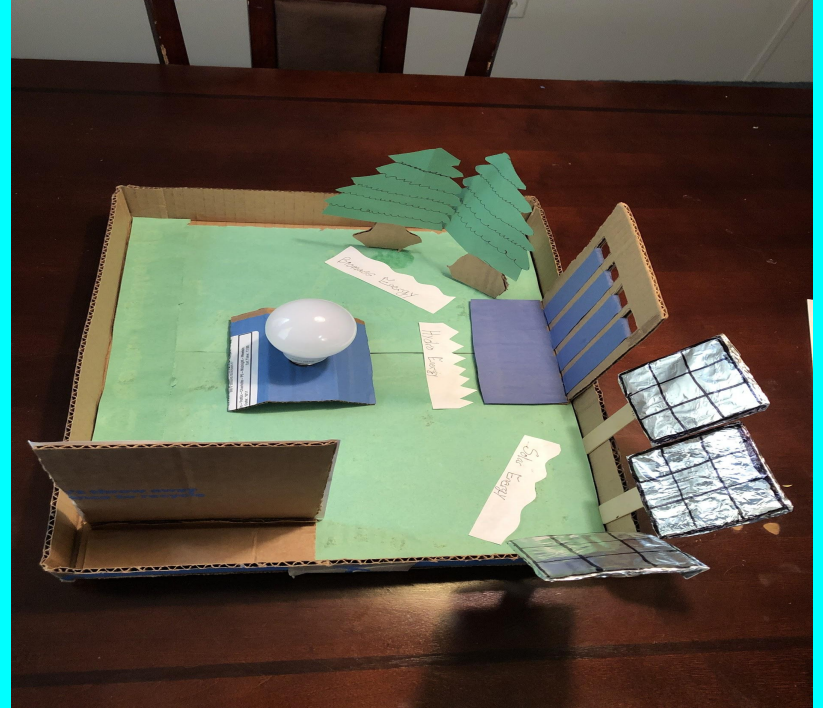

Hydro Power, Solar Energy,

Wind Farm

Project 4

Renewable Energy Resources

Solar Energy / Wind Farms/ Biomass

Hydro electric Energy / Tidal Energy
