

Mandatory Clear *Backpacks, Purses* and *Duffel Bags*

Parents/Students,

Clear backpacks are *mandatory* this year. Make sure when you purchase backpacks for the 2024-2025 school year, make *sure it is clear*. A clear backpack, duffel bag and purses will help speed up the morning check-in process. This will also help to keep students and staff safe.

Please check your local department stores or online websites, such as us [Amazon](#). Amazon prices range from \$15.99 and up, depending on the style selected. [Walmart](#) online website also has clear items starting as low as \$7.99 and up, depending on the items selected. *Thank you.*
