Dear Sixth Grade Teacher:

Congratulations on your ELA assignment in Sixth Grade! The Office of Curriculum & Instruction is here to assist in your endeavor to teach with excellence. The North Carolina K-12 English Language Arts Standard Course of Study (NC SCOS) has been revised. NC no longer has common core ELA standards. Therefore, this *revised* English Language Arts (ELA) Curriculum Pacing Guide is provided to reflect the current changes. --Best regards for a successful school year!

Things to Remember:

- 1. Standards are paced in four quarters within nine weeks: Foundational Reading Skills (RF), Literature (RL), Information Text (RI), Language (L), & Writing (W)
- 2. Cluster each quarter into two-week units to accomplish the instructional pacing of all standards.
- 3. Design formative and summative assessments to assess the two-week units.
- 4. Pacing Interpretation: "X"--not taught this quarter; Numbered -quarter taught; "P" -performed routinely in small teacher-led groups to ensure mastery
- 5. Speaking and listening" standards are NOT paced as they are on-going in the practice of all other standards.
- 6. All "Speaking and Listening" standards are introduced, modeled & discussed during first quarter, but utilized and monitored throughout each quarter
- 7. Classroom learning environment must include posted "listening and speaking" behaviors in quality whole group and collaborative small group tasks
- 8. See "Developing Collaborative Classroom Guide" for help with the implementation of Speaking & Listening standards within the learning environment.

Fidelity to Instructional Minutes:

- The Sixth Grade ELA block consists of a minimum 60-minute reading segment and a minimum 30-minute writing segment.
- The ELA block is divided appropriately into segments of: whole-group direct instruction with guided practice, small group remediation and independent tasks
- Sixth Grade Language, Vocabulary Acquisition and Usage Standards, are taught during the reading segment (Ex. L.6.4a; L6.5a).
- The writing block is a separate 30-minute segment. Students are instructed in the formal writing process. An Editing Anchor Chart is included in this guide.
- Sixth Grade Language, Conventions of Standard English Grammar and Usage Standards, are taught during the separate 30-minute writing segment.
- Spelling tests are given within the writing segment, NOT the reading segment. Strong emphasis should be placed on phonics instruction to decode & spell words
- Use the DPI ELA Unpacking Guide and the Halifax ELA Literacy Framework to assist with selecting & planning: pedagogy, remediation and student engagement.
- CASE 21 ELA Benchmarks are cumulative; however, follow the District's pacing guide as it is the blueprint for incremental growth towards mastering standards.

Charting a New Course!
