Halifax County Schools Receives Donation From Gregory B. Davis Foundation

On August 19, 2022, the Gregory B. Davis Foundation (GBDF) held its annual Bike Ride **For a Cause** fundraiser. The Gregory B. Davis Foundation provides opportunities for everyone to live a better life. Its services and donations are offered to all in need, without regard to their race, religion, or background.

Edna Davis, President of the GBDF, states, "The purpose is to benefit the local community with resources and education on health-related causes.

We are happy to be out and be connected". Ms. Valencia Davis, a GBDF board member, adds, "Each year, we focus on a particular cause, and we chose to raise funding for school supplies. This event's proceeds are for school teachers' supplies in Halifax and Northampton counties".

The Gregory B. Davis Foundation has not had the bike ride in the past two years due to the pandemic stated by Ms. Valencia Davis. Superintendent Dr. Cunningham says, "We are thankful for the Gregory B. Davis Foundation and what they are doing for our community. Supplies are essential for students to be prepared and to do well in school".

The Gregory B. Davis Foundation had its beginnings in August of 2000 and was formed to preserve the memory and legacy of Gregory B. Davis. GBDF's mission is to enhance the lives of youth and their families through the development and support of health-related programs and initiatives. The donation was presented by Mr. Anzell Davis and Mrs. Valencia Davis.
