

Halifax County Schools

Inclement Weather Make-Up Days Plan of Action

Situation: Four Days Missed: January 4th, 5th, 8th, 9th

Instructional Minutes Missed: 4 days (450 minutes) = 1,800 minutes

Recommendation: To preserve spring break

Utilize a Hybrid Model – recover 3 instructional days (equates to 1,125 instructional minutes) and explore additional options by way of survey data

- Traditional Calendar: Convert January 22, 2018 and January 23, 2018 to full student days
- Restart Calendar (Northwest Only): Convert May 23, 2018 and May 24, 2018 to student days
- All Schools: Convert February 28, 2018 to a half-day for students

Note: The district will send out a survey to staff members to gather input on how to make up additional days.
