

Parents, please go to the Halifax County Schools district web page at www.halifax.k12.nc.us and view all the summer camps that will begin on tomorrow, July 9, 2018. There is a summer camp opportunity for all of our scholars.

When attending summer camp, scholars should conform to the new dress code policy that the HCS board recently voted on. Uniforms are acceptable under this policy. The new dress code policy also gives students additional options as long as the attire complies with the guidelines that were set. The dress code policy is available on the web page as well as social media.

Thank you parents and guardians. Scholars hope to see you at one of our many camps!!!
