

# PARENT OF STUDENTS WITH DISABILITIES SURVEY

North Carolina Department of  
**PUBLIC INSTRUCTION**

**What is the parent survey?** This is an annual survey of parents of children receiving special education to report how well their school system includes them in the IEP process and the education of their child.

## YOUR RESPONSE MATTERS

Your response lets us know:

- how we can improve
- how we can be more inclusive
- if you feel heard
- if your student is being educated for success

## DID YOU KNOW?

Responses are anonymous and submitted directly to NCDPI.

NCDPI analyzes response data to highlight strengths and provide support to districts where response data indicates need.
