

## Superintendent Johnson's

# HOLIDAY CARDS FOR OUR SERVICE MEMBERS DRIVE

### How to make your cards:

- 1** Start with a greeting card or a piece of paper no larger than 8x11 (folded in half to make a card).
- 2** Address the card to "Dear Service Member,"
- 3** Write a personal note. Share about yourself and your community. For example: How do you celebrate the holidays? What are your family memories of the holidays? Our servicemen and servicewomen enjoy learning about your hometown. The messages can be serious or funny or both, always keeping in mind that appropriate and respectful language is a must! (See more prompts below.)
- 4** Sign your first name ONLY and list your school and town.
- 5** Envelopes are not necessary. If you have an envelope, please do NOT seal it. There is no need to address the envelope, but you can write "Service Member" on the outside of the envelope. Feel free to decorate the envelope.
