

## College Recruitment Policy

In the event an athlete should be contacted personally by a college recruiter, he or she has an obligation to work through his or her high school coach and athletic department. Inform your coach of such contact as soon as possible. In addition, it would be beneficial to the athlete to notify his/her school's guidance counselor to ensure proper academic eligibility requirements have been met.

## National Collegiate Athletic Association (Ncaa) Eligibility Information

[www.ncaa.org/lwps/incaa?ContentID=263](http://www.ncaa.org/lwps/incaa?ContentID=263)

### Core Courses:

- NCAA Division I requires 16 core courses
- NCAA Division II requires 16 core courses

### Test Scores:

- The SAT score used for NCAA purposes includes only the critical reading and math sections. The writing section of the SAT is not used for NCAA purposes.
- NCAA Division I has a sliding scale for test score and grade point average. See your guidance counselor for specific score requirements.
- NCAA Division II has a minimum SAT score requirement of 820 or an ACT sum score of 68.
- SAT and ACT scores must be reported directly to the NCAA Initial Eligibility Clearinghouse by the testing agency.
- See your guidance counselor for additional information regarding testing procedures.

### Grade-Point Average:

For NCAA purposes, only core courses are used in the calculation of GradePoint Averages. Students should see their guidance counselors for minimum grade-point average requirements.

### Course Requirements

#### Division I/16 Core Course Rule

- 4 years of English
- 3 years of mathematics (Algebra I or higher)
- 2 years of natural/physical science (1 lab)
